Very impressive defence in the last quarter as we managed to keep Emu scoreless. We had some try saving tackles as well as some great length of the field tries.

We will continue to gel as a team every week so lots of positives to take from today but also alot of work to do for training. Well done to our little superstars and a big thank you to our footy fam and supporters.

30 - 28 loss v NW Magpies

Very close game with the boys improving and learning to play together well.

Saints did well in the first half defending through the middle and gaining great field possession off the back of the hard work and meters gained by the forwards.

Second half was more of the same great defense with each try being returned. With a minor lapse in concentration in the dying seconds the game was lost by a field goal.

Super impressed with their conversion efforts, having not been able to convert during trial periods, we only missed 3 at this game! A big congratulations to our 2 players of the week - Sailosi for his great defense throughout the game and Denzel for scoring a hatrick.

This week we took on the west city Tigers. The team were excited for round 1, which showed on the field, with the whole team providing some great defence and limiting the other teams metres. UNDER 11/3'S

UNDER 12/2'S

We played away against last years grand finalists Emu Plains. After a good pre-season, the boys were keen for the season to finally start. Both teams started well, and the quality of football was high. Saints worked hard and gained some good field position through some strong defence and solid running eventually crossing to score first. Emu didn't give up taking an opportunity to hit back. Saints went to the break up 10-6.

In the 2nd half, some good attacking play extended our lead and we kept defending well, not conceding a line break all game to secure a 5 try to 2 victory

The Player of the Match was awarded to Nathan for his great attacking play and defending well.

Tries: Nixzan (2), Jack, Nathan (2)

Goals: Jaxson, Mitch, Zion.

Thank you to our sponsors, club, and the volunteers and parents for their efforts at training and game day.

UNDER 13/1S

Preseason is done and dusted, Trials and selections have been completed and 18 young men are ready to take on the season.

We took on last years Grand-finalist Brothers and our opposition got off to a quick start by scoring 2 unanswered tries.

Our forward pack had to muscle up, with Urijah and Lincoln leading the way in the middle and our back rowers Siaa, Okalani and Jaxsson laying the platform. With Brothers up 8-0 we had a set of 6 down in Brothers half and with a Kikau hairdo Urijah Runs over 3 defenders to get our first try of the season; this try was not converted.

2nd half starts and our boys were raring to go. Our defence line speed had picked up and one-on-one tackles were being made. With another set of 6 in Brothers 20 Metres, on the last Tangata put up a kick to the left side with our whole team chasing. Lincoln was rewarded for his effort as he scores our second try; the kick was converted by Leerce.

our relentless attack against Brothers try line opened up when Tangata put a kick through to our left side, and Leerce picked up the loose ball and ran over untouched to score. 22 - 8 is the final score.

UNDER 13/2S

Week one of '23 is done and dusted and the boys went down in a close one against brothers.

The game couldn't have started in a better way with an early length of the field try from a kick return from Andre in his first ever game of Rugby League. From there the game tightened up with Brothers getting themselves back into the game and our Saints making a few unforced errors.

The second half was a tight one and saw Brothers take control of the game and open up a handy lead before Saints came storming home with two late tries and a line break right at the death which almost saw us draw level.

Whilst disappointing to start the year with a loss there was still plenty to like with the new boys in the team settling in and plenty to work on if we can control the ball and defend better as a team.

We are down on troops with a couple of key injuries and holiday absences but if we stick together and work on a few little things then we will be in for a good season!

Special thanks to the two U/12's boys for helping out and playing for us also it was very much appreciated!

Round 1 of the season seen our boys go down 52-8 against North West Magpies.

Only having 13 players and no subs the boys gave it all against a well drilled opposition.

They never gave up trying to the final whistle with patches of great footy and a lot of positives to take into the next round.

Man of the match went to Ashton Dixon scoring our 2 tries

UNDER 15/1 GIRLS

What a glorious win for our 15G/1 on home soil, time was stopped with only 4 minutes left due to mercy rule 52- 0 against last years 2022 Grand Final winners Minchinbury Jets.

The girls have just proved that we are a force to be reckoned with and 2023 they mean business keep up the hard training and dedication you all have for your team ladies.

Special thanx to our coaching staff mick, Jason, Jerome and David for always pushing the girls to their limits hard work pays off!.

UNDER 15/2 GIRLS

Fantastic Sunny Day for 15G/2 on soil, the team played so well against St Clair with some amazing tries scored by Grace, Lily and Zara . conversions were good . We tied 18 all. The girls hard work and focus at training has paid off.. Girl are looking forward to a amazing season

UNDER 19

It was great to have the competition start and to see the boys competing at a good standard first up.

A Fairley slow start but once the game started to unfold the boys were able to find their groove (albeit with a number of handling errors) and we scored some good tries. Our defence was strong and will continue to get better and our attack will hopefully keep improving over the next few weeks.

All players should be happy with their games, and I expect to start to develop more as a team in coming games.
